YGL demo the machine integration with ERP solution at the workshop and in the exhibition.

Kembara Digital Malaysia an initiative to help Malaysians face digital era

23 & 24 Nov 2019: The KDM programme among others aims to raise awareness and knowledge among the people on the importance and methods of utilising communications technology apart from spurring digital growth especially at the grassroots level.

It also aims to narrow the communication gap between the government and people apart from building an informed society through dissemination of information speedily, accurately and meticulously.

Booths have been provided for the exhibitors consisting of broadband service providers, manufacturers/distributors of ICT equipment and content and federal and state government agencies.

YGL participated at the exhibition and showcase the Ind4.0 ERP solution connectivity to the machine. YGL has invited NSSDC to share the booth to showcase the vocational programme.
