As Penang's General Hospital and councils are facing supply constraint on computers in the current critical time on Covid-19 outbreak.

YGL shared interest in helping Malaysians tide through the pandemic by helping those in need, ensuring that society at large will be able to contribute to the economy, including the digital economy. This is in line with YGL's vision to create a technologically integrated society in line with Malaysia 5.0. YGL contributed 2 sets of computers and 1 laser printer to Penang General Hospital.
