

UTAR Students Awarded for Designing Smart Halal Monitoring System Trademark

On February 22nd, 2024, a group of UTAR students received recognition for their work on designing a trademark for the "Smart Halal Monitoring System." The presentation took place at the YGL office, where the students unveiled their logo design.

In appreciation of their efforts, YGL presented the students with a mock cheque of RM1,000, followed by the actual cash amount of RM1,000. This gesture highlights the importance placed on the students' contribution and serves as an incentive for future endeavours.

On the 2nd of March 2024, a spirited badminton match took place at the Permata Sport Complex, setting the stage for a friendly competition between two corporate giants: YGL and UB companies. Both organizations eagerly sent forth their most skilled and accomplished players, creating an atmosphere of excitement and camaraderie.

To add an extra layer of significance to the event, medals were awarded to the standout performers from both YGL and UB companies. This not only acknowledged the talent on display but also symbolized the commitment of the companies to fostering a healthy and competitive spirit among their employees.

The friendly badminton match not only served as a platform for corporate bonding but also highlighted the importance of promoting a healthy lifestyle and camaraderie within the professional sphere. As the players exchanged handshakes and congratulations after the match, it was evident that beyond the competition, the event had successfully forged stronger connections between YGL and UB, both on and off the badminton court.
