HRDCORP is pleased to announce a comprehensive E-Invoicing course, "E-Invoice Process Regulations & Solutions," to be conducted on June 5th and 6th, 2024, from 9:00 AM to 5:00 PM at the AC Hotel, Penang.

This course will be led by Ms. Hedy Tan Hoay Leng, Tax Director at McMillanWoods YGL, and Ms. Yeap Kah Phaik, Senior Project Manager at YGL. Designed to provide a thorough understanding of the forthcoming digitalization in tax administration, the training will cover essential e-Invoicing rules and regulations, examine the tax and business implications, and offer participants practical experience with an e-invoicing software platform.

On 6th June 2024

At the SME GO DIGITAL event themed "Embrace the Future," YGL presented on E-Invoicing. The presentation highlighted the benefits of digital invoicing, such as improved efficiency, reduced errors, and faster payment cycles. YGL also participated in a forum to address audience questions, offering insights into implementation strategies and the future of digital finance.

This session aimed to empower SMEs to leverage e-invoicing for streamlined operations and enhanced financial management.
