On May 16, 2024, YGL Group CEO Mr. Yeap attended the COMPUTER SCIENCE INDUSTRIAL FORUM (CSIF) 2024 at the School of Computer Sciences, Universiti Sains Malaysia (USM). The forum, organized by USM's School of Computer Science, featured an industry-based Community Advisory Panel meeting aimed at enhancing the Master's program to boost employability and industry relevance. CSIF focuses on disseminating computing practices, evaluating local computing needs, and encouraging technology transfer through collaborative research and consultancy. The event also aims to secure research grants and scholarships from the industrial sector, ensuring graduates are highly qualified and sought after in the computer industry. Additionally, a Café (Teh Tarik) roundtable discussion was held.
