## E-Invoice Process Regulations & Solutions Seminar

**Date:** October 8, 2024

**Location:** AC Hotel by Marriott, Penang

**Time:** 9:00 AM - 5:00 PM

**Presenter:** Ms. Yeap Kah Phaik, Senior Project Manager, YGL

YGL recently hosted a successful seminar, *E-Invoice Process Regulations & Solutions*, offering an in-depth exploration of the upcoming digitalization of tax administration with a focus on e-invoicing. Led by our Senior Project Manager, Ms. Yeap Kah Phaik, the event attracted industry professionals keen to understand the essential shifts in regulatory requirements and compliance as businesses prepare for the digital future.

### Key Highlights

#### 1. Deep Dive into Digitalization

The seminar kicked off with a comprehensive overview of digital tax administration, focusing on the transition to e-invoicing. Ms. Yeap delved into how this shift aims to streamline compliance processes and drive transparency across businesses.

#### 2. Essential E-Invoicing Regulations

Participants received a thorough understanding of the key e-invoicing regulations, gaining insight into compliance guidelines and standards that will soon take effect.

#### 3. Tax and Business Implications

Attendees explored the broader implications of e-invoicing on business operations and tax management, preparing them for strategic planning as they adopt these systems.

#### 4. Hands-On Software Experience

A highlight of the event was the hands-on workshop with e-invoicing software, allowing participants to gain practical experience with digital invoicing tools and feel confident about navigating the transition.

This seminar was part of YGL's ongoing commitment to equip our clients and partners with the knowledge and tools necessary to embrace digital transformation and stay compliant in the evolving tax landscape. Stay tuned for more events and training sessions from YGL as we continue to support our community's digital journey!

## ***YGL Hosts Industrial Visit for Unitar International College Penang Students***

On October 18, 2024, YGL Corporate Office welcomed a group of enthusiastic Diploma in E-Business students from Unitar International College Penang, led by Project Manager Nur Maisarah Binti Mohd Amin. The visit was designed to provide the students with valuable industry insights and a deeper understanding of YGL's journey to success.

Our Head of Marketing, Mr. Humphrey Ho, delivered an engaging presentation, offering a comprehensive overview of YGL's founding and the key milestones that have defined our growth into the global technology leader we are today. From our humble beginnings to becoming pioneers in ERP, warehouse, logistics, and green energy solutions, Mr. Ho highlighted the company's innovation-driven culture and its commitment to sustainability and digital transformation.

During the Q&A session, students had the opportunity to ask questions about YGL's operations, technology solutions, and strategies for staying competitive in an evolving market. Mr. Ho provided insightful responses, emphasizing the importance of continuous learning, adaptation, and collaboration in the technology sector.

We are proud to inspire the next generation of digital business leaders and look forward to more opportunities to share our expertise with educational institutions.

On October 14, 2024, YGL had the pleasure of welcoming around 30 students from Universiti Sains Malaysia (USM) to our corporate office, offering them an enriching experience to observe and engage with the dynamic workplace culture at YGL.

The visit aimed to immerse these future professionals in real-world corporate dynamics, enhancing their understanding of essential workplace skills. Our Head of Marketing, Mr. Humphrey Ho, led an insightful session on *Workplace Dynamics, Motivation & Communication Practices*, highlighting the importance of motivation, teamwork, and effective communication as drivers of success within a corporate setting.

Throughout the visit, students had the opportunity to:

- **Explore YGL's Innovative Workplace Culture** – Gaining insights into how YGL fosters a productive and progressive work environment.
- **Understand Effective Communication Practices** – Learning how these practices enhance collaboration and team synergy.
- **Receive Motivation Tips for Future Careers** – Gathering inspiration and practical advice for their own career paths.

We are delighted to have had the opportunity to inspire these bright minds and contribute positively to their professional journeys. We hope the experience left a lasting impact, fueling their aspirations and preparing them for success in their future careers!

YGL and TransTRACK technical teams are working together to integrate YGL's Smart Warehouse and Smart Halal Monitoring System with TransTRACK's logistics solution. This collaboration will optimise halal supply chain efficiency, ensuring real-time tracking, transparency, and compliance with halal certification standards from warehouse to delivery!

## Workplace Safety & Health Briefing at YGL

On October 24th, 2024, YGL conducted an internal training session to enhance awareness of workplace safety and health, based on the Occupational Safety and Health Act (OSHA) framework. The HR Director, Ms. Hedy, led the briefing for the first group of staff, highlighting the importance of maintaining a safe and healthy environment for everyone. The training aims to eventually include every staff member in the company to ensure that all employees are well-informed and proactive about safety practices.

A brainstorming session followed the briefing, encouraging staff to contribute innovative ideas on improving workplace safety standards. This collaborative approach underscores YGL's commitment to creating a safe, healthy, and positive work environment for all its employees. Stay tuned as we continue this journey to a safer work-
