Navigate Your Smart Warehouse with Industry 4.0!
Ready to take your warehouse operations to the next level?
Join us and discover how Industry 4.0 can transform your business!

On April 9th, 2025, a full-day E-Invoice training session titled “Mastering E-Invoice Accurate and Compliant Accounting Workshop” was successfully held at OZO Hotel, Penang. The session aimed to equip participants with essential knowledge and practical guidance in preparation for the upcoming implementation of Malaysia’s e-Invoicing system as part of the country's digital tax transformation.

14 April 2025 – Hari Raya Potluck Lunch Celebration

To celebrate Hari Raya Aidilfitri, the staff came together for a joyful potluck lunch on 14 April 2025. Everyone contributed a variety of delicious homemade dishes, traditional kuih-muih, and festive drinks, turning the office into a vibrant space of togetherness and cultural appreciation. This heartwarming gathering not only showcased the diverse culinary talents of the team but also strengthened the spirit of unity and camaraderie among colleagues. The celebration was filled with laughter, good food, and festive cheer, creating memorable moments for all.

We were pleased to welcome the team from G.O.R.T. Company for a courtesy visit to explore a potential collaboration in AI-powered technologies for a greener planet!

Together, we discussed how Artificial Intelligence can be harnessed to drive sustainability — from optimising energy use and reducing carbon emissions to smart resource management and green logistics.

This meaningful exchange marks the beginning of a promising partnership aligned with our mission to build a low-carbon, intelligent future.
