YGL Monthly Pickleball Night – Strengthening Teamwork Through Sports!

Team YGL came together once again for our Monthly Pickleball Night at the covered court of Beng Teik School. The session was filled with energy, excitement, and plenty of friendly competition as colleagues rallied, smashed, and cheered each other on.

This monthly sports activity is more than just a game — it’s an opportunity for us to stay active, strengthen teamwork, and unwind after a productive day at work. Through sports, we build stronger connections, sharpen our focus, and keep both body and mind refreshed for the challenges ahead.
