

Honoured Visit by Penang Chief Minister at Our AI Conference Booth

We were honoured to receive **Yang Amat Berhormat (YAB) Tuan Chow Kon Yeow**, Chief Minister of Penang, at our booth during the **SAMENTA SME AI Conference 2025**, themed “*Unlocking AI Power for SMEs*”, held on **6 December 2025** in Penang.

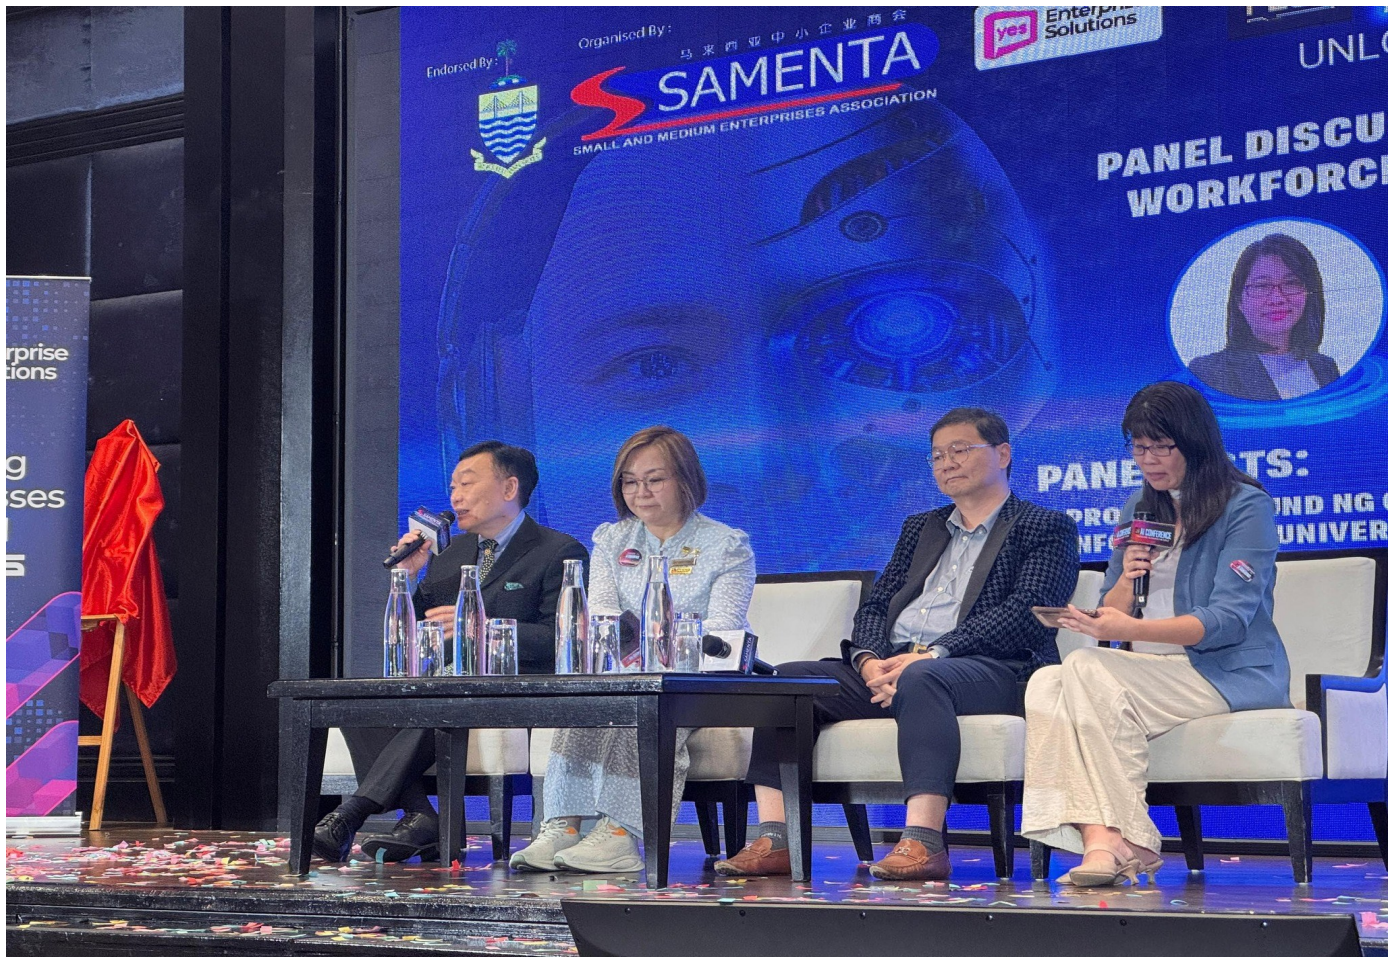

The visit marked a meaningful highlight of the conference. Our **Sales Director** had the privilege of personally presenting our latest **AI-driven solutions and digital transformation technologies**, providing an in-depth overview of how these innovations are designed to support the growth and competitiveness of **Small and Medium Enterprises (SMEs)**.

During the session, the presentation focused on:

- **Integrating AI into Business Operations** Demonstrating practical, easy-to-adopt AI tools that enhance productivity and operational efficiency.
- **Driving Digital Transformation** Sharing a structured roadmap to help SMEs transition confidently into **Industry 4.0**.
- **Supporting Penang’s Smart State Vision** Highlighting how our solutions align with the Penang State Government’s initiatives to promote digitalisation, innovation, and sustainable economic growth.

The Chief Minister’s visit reflects the **strong support of the Penang State Government** in encouraging AI adoption and digital transformation among local businesses. It also reinforces the importance of collaboration between the public and private sectors in advancing Malaysia’s digital economy.

We sincerely thank **YAB Tuan Chow Kon Yeow** for his time, encouragement, and continued support. At YGL, we remain committed to empowering SMEs with technology that drives innovation, resilience, and long-term success.

YGL CEO Shares Insights at SAMENTA SME AI Conference 2025

We are proud to announce that our Chief Executive Officer, **Mr. Yeap Kong Chean**, was a distinguished panellist at the **SAMENTA SME AI Conference 2025**, themed “Unlocking AI Power for SMEs”, held on **6 December 2025** in Penang.

Endorsed by the **Penang State Government**, the conference served as an important platform for industry leaders, policymakers, and business owners to exchange perspectives on **Malaysia’s digital transformation journey**, with a strong focus on Artificial Intelligence (AI).

Mr. Yeap participated in the panel discussion titled “**Building an AI-Ready Workforce & Sustainable Ecosystem**”, where he shared practical insights drawn from YGL Convergence Berhad’s extensive experience as a leading business solutions provider specialising in **ERP systems, Industry 4.0 technologies, and AI-driven digital transformation**.

Key discussion highlights included:

- **Developing an AI-ready workforce** through continuous upskilling, targeted training, and effective talent retention strategies
- **Establishing a sustainable AI ecosystem** to support long-term digital growth and resilience among SMEs

Seminar Elaboration: From Manual Chaos to Automated Clarity

YGL is pleased to host a focused seminar addressing one of today's most pressing business challenges — **Environmental, Social, and Governance (ESG) reporting** and the acceleration of **decarbonisation initiatives**.

As regulatory requirements and stakeholder expectations continue to rise, many organisations struggle with **manual, fragmented, and error-prone ESG data collection**. This seminar is designed to guide businesses through the transition from manual reporting processes to an **automated, accurate, and compliant ESG reporting framework**, powered by **YGL's specialised ESG Middleware**.

Key Seminar Highlights include:

- **Understanding ESG Reporting Challenges** Identifying common obstacles in ESG data management, compliance, and reporting.
- **Live Demonstration of YGL ESG Middleware** Showcasing how automation streamlines ESG data capture, improves accuracy, and ensures regulatory readiness.
- **Extended Q&A and Networking Session** Engaging directly with industry professionals and YGL experts to explore practical implementation strategies.

This seminar is ideal for organisations seeking to enhance transparency, strengthen sustainability performance, and align ESG initiatives with long-term business objectives.

Date: Wednesday, 10 December 2025

YGL Christmas Celebration with Employees □

YGL recently celebrated the festive season of Christmas with our employees in a warm and joyful gathering at the YGLWORLD office. The celebration brought colleagues together across departments to share laughter, appreciation, and the spirit of togetherness that defines our corporate culture.

The event was filled with festive cheer, gift exchanges, and memorable moments, reflecting YGL's commitment to fostering a positive and inclusive workplace. It was also an opportunity for management to express heartfelt appreciation to our team for their dedication, hard work, and contributions throughout the year.

As we celebrate the season of giving and gratitude, YGL remains thankful for the strong teamwork and unity that continue to drive our growth and success. We look forward to another year of collaboration, innovation, and shared achievements together.

Wishing everyone a Merry Christmas and a joyful year ahead.
