

YGL Lunar New Year Greeting

As we welcome the joyous celebration of the Lunar New Year, all of us at YGL Convergence Berhad would like to extend our heartfelt wishes to our valued staff, customers, partners, and friends.

May this new year bring you abundant prosperity, good health, happiness, and continued success. To our dedicated team — thank you for your commitment, passion, and teamwork that drive YGL forward every day.

To our valued customers and partners — thank you for your trust and continuous support in our journey of innovation and growth. May the year ahead be filled with new opportunities, stronger partnerships, and greater achievements for all.

Gong Xi Fa Cai! 🍊 🍀
Wishing you and your family a prosperous and blessed Lunar New Year.

— The Management of YGL

YGL Strengthens Community Bonds Through Meaningful Giving

On 13 February 2026, YGL proudly extended its support to three respected charitable organisations in Penang, reinforcing our commitment to community care and social responsibility.

YGL contributed to **Pertubuhan Kebajikan Nasyiatulaisyiyah**, an organisation dedicated to impactful initiatives in education, healthcare, and community development. We also supported **Pure Lotus Hospice of Compassion**, which provides compassionate palliative and end-of-life care while offering essential support to patients and their families. In addition, YGL contributed to **Penang Hindu Association**, which serves the Hindu community through cultural, religious, and social welfare programmes.

These contributions were made possible through the generosity of YGL's staff and customers. Funds were raised via our "Circle of Love" coin box initiative, along with proceeds from in-house coffee sales — a true reflection of our collective spirit of compassion, unity, and shared purpose.

This meaningful initiative underscores YGL's ongoing commitment to giving back and uplifting the communities we serve.

Looking Ahead: Continuing Our CSR Journey

YGL remains steadfast in our dedication to Corporate Social Responsibility (CSR). We will continue to identify and support local organisations that create lasting positive impact, striving to make a meaningful difference in the lives of those in need.

Ygl WORLD

On 10th February 2026, YGL successfully conducted its ESG Middleware Seminar in Kuala Lumpur, bringing together business leaders and sustainability practitioners to explore smarter ESG reporting and compliance strategies. The session highlighted how YGL's ESG Middleware integrates seamlessly with existing ERP systems to automate data collection, ensure accuracy, and enhance transparency. Participants gained practical insights on streamlining sustainability reporting while meeting evolving regulatory and stakeholder requirements.

On 13th February 2026, YGL celebrated **Lo Yu Shan (捞鱼生)** together with our staff in conjunction with the Lunar New Year festivities. The meaningful tradition of tossing *Yee Sang* symbolises prosperity, abundance, unity, and good fortune for the year ahead.

With laughter and joyful shouts of “Lou Hei!”, our team gathered to toss the vibrant ingredients high, expressing wishes for greater success, stronger teamwork, and continued growth in 2026. The celebration not only strengthened our team spirit but also reflected YGL's culture of togetherness and appreciation.

May the new year bring prosperity, good health, and greater achievements for everyone at YGL!

ESG FROM MANUAL CHAOS TO AUTOMATED CLARITY

Middleware For Accurate Scope 1, 2 & 3 Emissions,
ESG Reporting Support and Decarbonisation
Acceleration

Register Now

This seminar explains how ESG middleware can automate manual, time-consuming tasks by transforming them into intelligent, automated processes that deliver faster, more accurate, and compliant results.
